

## ***Bean-To-Cup Coffee Machines***

### **Neva Bean-To-Cup**

---

#### **Our Opinion**

“Looking for a high volume bean to cup machine? The Neva will serve consistently high volumes of espresso based coffee using fresh beans and skimmed milk powder.”

Two canister - single bean hopper hot drink system.

#### **The Neva Range**

Designed specifically for hotel, restaurant, catering and office applications, the Neva self-service beverage systems offer the robust performance required for consistent operation in these demanding environments. Available in five configurations, these compact, table-top systems deliver a complete range of high quality, continental-style coffee and tea drinks that meet all the needs of today's discerning customers.
